Tee-off Times

Because we are a smaller league this year, we will return to everyone starting from the first hole beginning at 5:00 PM. Whenever you and your opponent are ready you can get in line to tee off.

Match Play Format

Each couple will play matches as a 2-person scramble team. We have been doing this for a few years and teams enjoy it. We are not a competitive league. We maintain scores and team standings, but the league is for fun and enjoyment.

- Both players tee off from their respective tee.
- Select the best ball and both hit from there.
- Repeat until done.
- Gimmes can only be given by your opponents.
- If your team only has one player, work out with your opponents if/when you can hit two shots to keep it fair.

Special Drop Rules for Water Holes

- To keep the speed of play brisk, when you hit the ball in the water, drop on the side closer to green in fairway, and take a one stroke penalty. You should not have to hit over the same water hazard more than once.

Inclement Weather

- The league organizers will make the decision whether to play by 5:00 at the course.
- If conditions exist that make it obvious that play will be cancelled, you may call the course after 4:00 to confirm
- Cancelled golf nights will not be made up.

Score Cards

- Scorecards will be available at the starter's table before we play.
- Completed scorecards will be collected in the clubhouse after the round.
- *Scores can also be entered while you play. A QR code link is printed on the cards that will take you to your match on the website for score entry.*

Absenteeism, Substitutes and Make-up Rounds

- If you know you will be absent in advance, please arrange for subs or contact your opponents.
- If your team cannot make it on a night, the preference is that you find substitutes so that your opponents do not have to play alone. Other options:
 - Play a make-up round with your opponents. If your opponents are agreeable, you can play on a different night or weekend. If you are not playing at prime time, Pine View will probably honor the league rate.
 - Play a make-up round by yourselves.
 - Forfeit the round, get no score for the week, and your opponents will play against their handicap.
 - NOTE: make up rounds must be played on the same 9 holes as the league night and must be done within a couple weeks before or after the original night.
 - For make-up rounds, please text or email a picture of your scorecard to Bob Hamman.

Standings

Standings will be available on the league website often by the time we finish dinner in the clubhouse. They will not be available for the first few weeks while team handicaps are being established.
